Clues will be made available through special QR codes to be scanned at designated locations in the state of Utah. The final QR Code will be located inside the hidden treasure chest. The first eligible Participant to scan the QR Code will be awarded the Prize. Participants who successfully locate the treasure must immediately return the hidden treasure chest to its original location (after scanning the QR Code) in order to determine the final order of finish for all. There will be one (1) prize awarded.

Only official Participants may scan the QR codes at each location. QR Codes must be scanned at their original locations only, as designated by the Sponsor. No QR code may be photographed or reproduced by any person other than the official Participants while at the designated location for the clue.

Participants are asked to film/record their journey with their phones or other devices, and are requested to upload their footage for use by the Sponsor or the designated production companies. Instructions for uploading footage will be made available on the day of the Contest. This will be an interactive contest. Participants will be asked to share their locations with the Sponsor.
